

West Hallam Parish Council

Cllr June Thornton

M: 07752 837084

Personal Statement

Whilst not a native of Derbyshire I have lived in the area for approximately 40 years. I am primarily a Buildings Conservation person and have been a volunteer with the National Trust for around 17 years, monitoring areas of deterioration at several sites.

Around 4 years ago I became the Poppy Appeal organiser for the area and I was previously the Editor of the Parish Magazine.

During my recent ventures I have found that residents in the area have given me their full support and now it's my time to try and give something back. If I can help, even in the smallest of ways, I am happy to do so. I might not have all the answers, but I probably know someone that does.
